LGHA - Game Curfew Policy

1. Objectives

2. Game Curfews

1. Objectives

1.1.0 The LGHA is committed to provide a competitive, fun game experience to the players in our organization. The OWSA has recently imposed game time increases that conflict with our ice rental agreements for some age groups and therefore a curfew will be necessary in all games in order to ensure fairness to all teams, and to avoid game disputes for games being cut short by arena staff.

2. Game Curfews

2.1.0 All LGHA home games must be curfewed at the end time stated on the ice rental agreement for that team's home ice.

2.2.0 Team staff must indicate on RAMP game sheet that a curfew is in place and enter the time that the curfew will take place.
