

To Whom it May Concern:

The Lindsay Lynx Girls Hockey Association is proud to announce that we are celebrating our 24th year of Lynx hockey. After two previous challenging hockey seasons due to the pandemic, we are thrilled to be able to return to a regular season with new and exciting programming initiatives that will create an even better experience for players and families.

Our enrollment continues to increase yearly in both rep and house league divisions, demonstrating how important hockey is to the families in the community. To help make our program affordable, during a time when we may be unable to conduct our usual fundraising events, and offset team costs (i.e., ice costs, skills, safety equipment) we are seeking donations from strong leaders in the business community who value the physical, social and mental health benefits that hockey brings to our children.

Team Sponsor \$500

This type of sponsorship makes your business one of the official sponsors for a specific team and your company name will be worn on the back of one set of team jerseys. As a team sponsor your company's name will also be displayed on our website and at Lynx community events.

Lynx Sponsor \$250

After several seasons when we could not conduct our usual and very lucrative fundraising events (Tag Day, Lynx Day, Halloween Dance, etc.) the Lynx organization is in greater need of your support than ever. Please consider making a minimum commitment of \$250. Your business or company logo will be displayed on our website and at Lynx community events.

Sponsors not only benefit from this widespread advertising, but will also receive a receipt for their contribution, and the knowledge that they are contributing to the success of many grateful and talented girl hockey players. If you are interested in our sponsorship program, please contact Denise Marsh, Fundraising Chair, at the number or email below. Cheques can be made payable to **Lindsay Girls Hockey Association** (pick up can be arranged) or an e-transfer can be made to treasurer@lgha.net

Thank you in advance for your generosity and support. Please feel free to contact me with any further inquiries.

Kindly,

Denise Marsh, Fundraising Chair
