The Lynx's Organization understands that COVID 19 has presented some challenging financial times. Although we are anticipating a regular season this year, there have been a few changes to fees and payment deadlines to accommodate the increased costs and fees associated with play. Additionally, we are asking for funds to be paid in full this year at the time of registration in order to pay our ice bill which is due at the end of September. We appreciate your understanding.

***Registration for Rep Teams will take place between August 15th, 2021 and will close on September 6, 2021. Tryouts will take place in mid-September.***

***A Tryout Schedule will be posted to the Lindsay Lynx Website once ice-times are confirmed with the City of Kawartha Lakes. Please check the website frequently for updates.***

**House League Registration:** All players interested in House League play should register and select the House League Package.
