TEAM OFFICIAL UPDATE

1. [New \(Updated\) Dressing Room Policy - LGHA 002](#)
2. Dressing Room Supervisors - Screening requirements
3. [Game Curfew Policy - LGHA 003](#)

Good morning LYNX teams,

A number of recent updates by our National and Provincial Sport Organizations have necessitated the need to create guidelines for our teams on 2 topics.

Dressing Room Policy - LGHA 002

Attached, you will find a copy of the policy. This policy can also be found on our lgha.net website. Please note that this policy is now in effect for all teams.

Dressing Room Supervisors - Screening Requirements

Dressing room supervisors are now required to be screened according to policy LGHA 002. A minimum requirement of Respect in Sport for Activity Leaders as well as a Criminal Records Check including Vulnerable Sector is required to be in this role. Please note that these requirements need to be met by November 30, 2023.

Game Curfew Policy - LGHA 003

Attached, you will find a copy of the policy. This policy can also be found on our lgha.net website. Please note that this policy is now in effect for all teams for all home games.

This policy, even though some may find it annoying, will make sure that all Lynx home games are completed within OWHA rules and in line with our current Ice Rental Agreement with the city. With this policy in place, there will never be a question when your game will end if nearing the end of your scheduled ice time. The game will end at (or before) your scheduled ice time, all the time. Our referees will work to remind benches at game time that the curfew box is checked on ramp and that the correct curfew time is entered for the rink you are at.

Any questions about the above information can be forwarded to info@lgha.net

Yours in sport,

LGHA Executive Board
